Where is Sinai? Is it where we see on most maps; or is it in Midian (modern Saudi Arabia) where Moses lived for years, where he saw the burning bush? And is it the same place where Paul went in Arabia after his Damascus experience; where he received teaching directly from the risen Lord? The sea of Edom Is where those of Esau resettled along the Red Sea named after their father Esau whose name means: red.

1 You are to make the Tent with ten curtains of fine woven white linen, and blue, and purple, and scarlet: with a skillful design of cherubim work into them.

2 Each curtain will be 42 feet long, and 6 feet wide: and all the curtains will have the same measure.

3 Five curtains will be joined together; and the other five curtains will be joined together.

4 Make loops of blue yarn on the edge of the last curtain in the first group; and do the same on the outer edge of the second group of curtains.

5 Make 50 loops on the edge of the first curtain, and 50 on the edge of the curtain the second group; so that the loops line up with one another.

6 Also make fifty clasps of gold, and join the curtains together with the clasps: so that the Tent is a single unit.

7 You are to make curtains of goats' hair to covering over the Tent: make eleven of these curtains.

8 Each curtain will be 45 feet long, and 6 feet wide. The eleven curtains will be the same measure.

9 Join 5 of the curtains by themselves, and the other 6 curtains by themselves. The fold the 6th curtain at the front of the Tent.

10 Make 50 loops on the edge of the furthest curtain in the group, and 50 loops on the edge of the corresponding curtain that joins the second group.

11 Make 50 clasps of bronze, and put the clasps through the loops, and join the Tent together, that it be one unit.
