

EXODUS 27 vs 1

KJV-lite™ VERSES

Where is Sinai? Is it where we see on most maps; or is it in Midian (modern Saudi Arabia) where Moses lived for years, where he saw the burning bush? And is it the same place where Paul went in Arabia after his Damascus experience; where he received teaching directly from the risen Lord? The **sea of Edom** Is where those of **Esau** resettled along the **Red Sea** named after their father **Esau** whose name means: **red**.

The Brass Altar,

¹ And you will make an altar of acacia wood, 7 ½ feet long, and 7 ½ feet wide; the altar will be square: and its height will be 4 ½ feet.

² Make horns for its four corners: its horns will be the same: and you will overlay it with bronze.

³ Make its pans to receive its ashes, and its shovels, and its basons, and its meat hooks, and its firepans: all its utensils you will make of bronze.

⁴ Make a grate for it of bronze mesh; and on the mesh make four bronze rings on its four corners.

⁵ And put it underneath the ledge of the altar, so that the mesh may come halfway up to the altar.

⁶ Then make poles for the altar, poles of acacia wood, and overlay them with bronze.

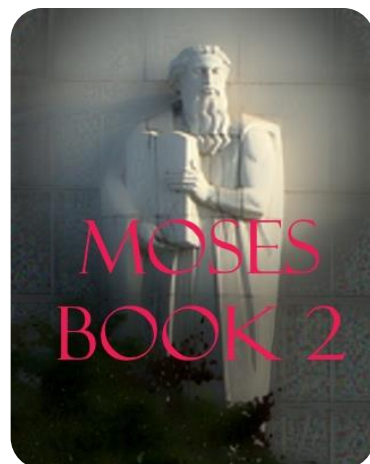

⁷ The poles will be inserted in the rings, so the poles are on both sides of the altar, to carry it.

⁸ Make the altar with boards so it is hollow: they are to make it as it was shown you on the mountain.

The courtyard,

⁹ You will make the courtyard of the Tent: make hangings for the south side of the courtyard of fine woven white linen 150 feet long on that side:

¹⁰ and its 20 pillars and their 20 bases will be of bronze; with silver hooks and silver bands for the pillars.

¹¹ And also make hangings 150 feet long for the north side including twenty pillars and their twenty bases of bronze; with silver hooks and silver bands for the pillars.

¹² For the width of the courtyard on the west side make hangings 75 feet long: including their 10 pillars, and 10 bases.

¹³ The width of the courtyard on the east side will be 75 feet long.

¹⁴ Make hangings 22 ½ feet long for one side of the gate: including 3 pillars, and 3 bases.

¹⁵ And make hangings 22 ½ feet long on the other side: with 3 pillars, and 3 bases.

¹⁶ The gate of the courtyard will have a 30-foot screen embroidered with blue, purple, scarlet, and fine woven white linen. It is to have 4 pillars, and 4 bases.

¹⁷ All the pillars around the courtyard will be banded with silver; with silver hooks, and bronze bases.

¹⁸ The courtyard will be 150 feet long, and 75 feet wide, and 7 ½ feet high made of fine woven white linen; with bases of bronze.

¹⁹ All the utensils of the Tent in all its service, and all its pegs, and all the Tent pegs of the courtyard will be made of bronze.

The Lampstand Oil,

²⁰ And you will instruct the children of Israel, that they bring you pure oil from crushed olives for the light, to keep the lamp burning always.

²¹ In the Tent of the assembly outside the curtain, which is before the testimony, Aaron and his sons will order it from evening to morning before the Lord: it will be a statute forever to their generations on the behalf of the children of Israel.

We are grateful to God that the Saudi govt has preserved the Mountain of Moses.
