

# GENESIS 2 vs 1

KJV-lite™ VERSES

[www.ilibros.net/KJV-lite.html](http://www.ilibros.net/KJV-lite.html)

Numerical chapter divisions used in our bibles were added in 1200s, while the verses were added in the 1450s. Most students of the bible recognize these 4 verses continue as the introduction to Genesis. Chapter 1 ended with all that God created on the 6<sup>th</sup> day... which included the creation of Adam.

**<sup>1</sup> Thus the heavens and the earth were finished, and all the host of them.**

**<sup>2</sup> And on the seventh day God ended His work which He made; and He rested on the seventh day from all His work which He made.**

**<sup>3</sup> And God blessed the seventh day, and sanctified it: because in it He rested / in Hebrew: sabat. from all His work which God created and made / which means Elohim ceased from creating... no weariness is implied.**

**<sup>4</sup> This is the account** / this word is used 10 times in Genesis to organize content; with this phrase the writer gives us binoculars to zoom in on details in each section. We will also learn the account **[2]** of Adam; **[3]** of Noah before the flood; **[4]** of brothers Shem, Ham and Japheth after the flood; **[5]** of Shem after Babel; **[6]** of Terah, father of Abraham; **[7]** of Abraham's son Ismael; **[8]** of Abraham's son, Isaac; **[9]** of Esau; and finally, **[10]** of Jacob, who later became Israel.

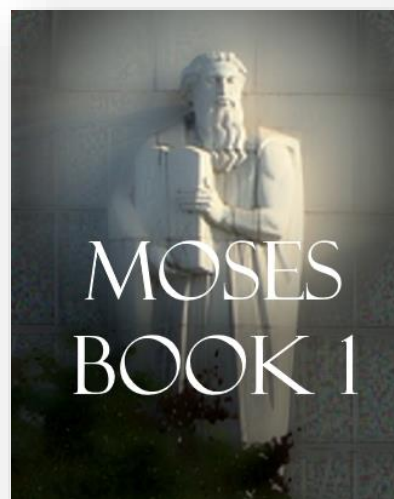

For now, in focus...

**This is the account... of the heavens and of the earth when they were created, in the day that the LORD God made the earth and the heavens /** when LORD or GOD are written in capital letters, we know the One who spoke to Moses, who called himself YHWH... יהוה or Yahweh is the subject,

**<sup>5</sup> And every plant of the field before it was in the earth, and every herb of the field before it grew: for the LORD God had not caused it to rain upon the earth, and there was not a man to till the ground.**

**<sup>6</sup> But there went up a mist from the earth, and watered the whole face of the ground.**

**<sup>7</sup> And the LORD God formed man Adam** / this one we know who was to be made in their image and likeness; the same word is used when a creative potter shapes the clay; something God has a talent for and attempted to do more than once, **the potter's house and learn what happened** -- Jeremiah 18.

KJV-lite™ VERSES

[www.ilibros.net/KJV-lite.html](http://www.ilibros.net/KJV-lite.html)

**the LORD God formed Adam from the dust of the ground, and breathed into his nostrils the breath of life;**

**and Adam became a living soul** / Dr. John Phillips wrote: a mere piece of skin the size of a postage stamp requires three million cells; a yard of blood vessels, four yards of nerves; one hundred sweat glands, fifteen oil glands, and twenty-five nerve endings! Yet the evolutionist would ask us to believe that the blind forces of chance produced our bodies. It would be simpler to believe that *Webster's Unabridged Dictionary* resulted from an explosion in a print plant -- *Exploring Genesis*, ©1992, Loizeaux Brothers, Inc., page 49.

**the LORD God formed Adam... and Adam became a living soul** / a closer look at Lev. 17:11 helps us to understand this verse: For the life of the flesh is in the blood, and I have given **it** = hi, to you... to make an atonement for your sins; for **he** = hu the blood makes atonement for the soul.

**<sup>8</sup> And the LORD God planted a garden eastward in Eden; and there he put the Adam whom He had formed.**

**<sup>9</sup> And out of the ground made the LORD God to grow every tree that is pleasant to the sight, and good for food** / and till this time we have been gently lulled and mesmerized by the verses as we attempt to grasp in such few words, all that was created from the beginning. Remember: some words spoke of **waters below, and waters above and in between an expanse**... so before the flood, what we they saw looked different than now days.

And how about all the **waters under... gathered together to one place**: and some geologists tell us the tectonic plates of the western hemisphere and western Africa and Europe correlate, so at first, was there only the Pacific Ocean? People have wondered where this garden was located., and evidence points to the middle of the Atlantic Ocean, near the Sargasso Sea, where tectonic plates do not align. To the west is: Yucatan, Mexico; to the east, the Atlan mountains of Morocco. Plato said, Atlantis was beyond the straits of Gibraltar, destroyed in a day. Histories of the indigenous tribes around the mid-Atlantic... point to that area; the Africans point west; those of Yucatan point east.

**every tree that is pleasant to the sight, and good for food;**

**the tree of life** also in the midst of the garden,

**and the tree of knowledge of good and evil** / and suddenly, we realize, we are no longer learning about some local garden variety shrubs; and you can well imagine, if anyone could find these trees of life, and of knowledge of good and evil... like the mythical fountain of youth... oh, near Florida, wasn't it? Finding any of this would make you the envy of Wall Street. By the way, whatever happened to... the tree of life? Did it die?

KJV-lite™ VERSES

[www.ilibros.net/KJV-lite.html](http://www.ilibros.net/KJV-lite.html)

<sup>10</sup> And a river went out of Eden to water the garden; and from there it was parted, and became four heads / one race from one blood of Adam and Eve, Eden means: delight or pleasure... so we're talking about what is in the heart. And flowing from this heart, created by God... is life... and life... and more life!

## The Bible & the Myth of Race

## Genesis: One Blood, One Race

<sup>11</sup> The name of the **first** is Pison: which flows through the whole land of Havilah, where there is gold;

<sup>12</sup> And the gold of that land is good: there is bdellium and the onyx stone.

<sup>13</sup> And the name of the **second** river is Gihon: the same flows through the whole land of Cush / Ethiopia ... South Sudan.

<sup>14</sup> And the name of the **third** river is Hiddekel / we know this river is Tigris: which flows to the east of Assyria.

And the **fourth** river is Euphrates / and here, we learn there is one race of Adam flowing from the heart of God... more evidence of His love of life and variety. It seems Hitler's fools, racist evolutionists don't know much of their disgusting history; who stole an ancient symbol that was once beautiful and made it ugly. But God our Father has the last laugh amid the foolishness of mankind: because from His heart flows all the streams of Adam's race; different shades of the same melanin inherited from our first parents! ALL are precious in His sight! He so loved the world! His love is not like any racists bigots... who love to hate. We are all one family... from Adam and Eve.

<sup>15</sup> And the **LORD God** took the Adam, and put him in the garden of Eden / and gave him 2 assignments: so God thought Adam could multitask. And what are those 2 responsibilities?

to **dress it** and to **keep it** / so God wanted Adam to be a gardener... but what's that other duty? to **keep it** / in Hebrew: **shamar**... [Psalm 121 uses that same word 6 different times](#). It is interesting; Jesus the night He was betrayed, when He last talked with his disciples... used the same word 12 times. He said, [If you love Me, keep... guard to protect](#), My words and My instructions; and they are no burden: 1. To love God above all others; and 2. To love others as He loved us. That's all!

But sadly, like Adam, the church hasn't done the simple 2-part task given them. Well, [except read those in Philadelphia, they did!](#) Adam was supposed to be both **a gardener and a guardian** of what flowed from the heart of God. That same word next appears in the last verse of Genesis chapter 3.

# GENESIS 2 vs 1

KJV-lite™ VERSES

[www.ilibros.net/KJV-lite.html](http://www.ilibros.net/KJV-lite.html)

<sup>16</sup> And the **LORD God** instructed Adam, saying, Of every tree of the garden you may freely eat / go for it! Enjoy!

<sup>17</sup> **But of the tree of the knowledge of good and evil, you will not eat of it: for in the day you eat of it, you will surely die** / remember those 2 trees? Obviously, God remembered them; and He didn't put them in the garden for window dressing. God wanted to test Adam's hearing ability and recall. Here, God is asserting His right to be Head of his creation... after giving Adam all the 100,000s of other fruit trees... while putting a circle around: the tree of life; and the tree of knowledge of good and evil... He said: Don't touch these two trees.

<sup>18</sup> And the **LORD God** said, It is not good that Adam should be alone;

**I will make a helper suitable for him.**

<sup>19</sup> And from the ground the **LORD God** formed every beast of the field, and every fowl of the air; and brought them to Adam to see what he would call them: and whatever Adam called every living creature, that was its name / so the Lord God gave Adam a science lesson; his task: to observe and label... having identified each uniquely created life; and was the Lord observing Adam observing all the critters and creatures? I bet that took a while! And after this lengthy beasts and birds and flowers and trees lesson, did the LORD ask: Adam, did you notice anything missing?

<sup>20</sup> And Adam gave names to all cattle, and to the fowl of the air, and to every beast of the field / and some might wonder... what about the dinosaurs – a name that was only invented in the 1840s, long after the King James Bible was translated; sadly modern translators are afraid to talk about dinosaurs... but check out these 2 of many videos rocking the world in the battle of modern science: [Discovering Soft Dinosaur Tissue](#) and [Dinosaurs and Humans Lived Contemporaneously](#);

**but for Adam there was not found a helper for him** / this word: ezer, now twice mentioned in Exodus when describing the name of Moses' second son, Eliezer = God is my helper; throughout the OT our Father God identifies with this high calling.

<sup>21</sup> And the **LORD God** caused a deep sleep to fall upon Adam, and he slept: and He took one of his ribs, and closed up its flesh;

<sup>22</sup> and with the rib, which the **LORD God** took from Adam, He made a woman, and brought her to Adam.

KJV-lite™ VERSES

[www.ilibros.net/KJV-lite.html](http://www.ilibros.net/KJV-lite.html)

**23 And Adam said, WOW! This is now bone of my bones, and flesh of my flesh: she will be called Woman, because she was taken from**

**Man** / in Hebrew: ish... which means: man, We know this word, for example, when we say: English... Spanish... Swedish... Danish... and others who represent ancient generations and families. And some might wonder, do you really believe this happened? Well, of course. You sound as if you don't; I guess lots of people believe -- which isn't a very scientific word, is it? But they believe that monkey business stuff that has been peddled as haute cuisine; when all that is, is a bunch of bovine scatology. Fine, it is still the fool who says in their heart there is no God!

**24 Therefore will a man leave his father and his mother, and will cling to his wife: and they will be one flesh** / this verse is quoted by Jesus when dealing with the religious folks trying to test him; so, He validates its truth.

After the lengthy lesson of all the species male and female being fruitful and multiplying everywhere... sometime in the scheme of things planned by God himself, being a good Father, Adam was adequately informed, so when Adam woke up he knew what to expect.

**25 And they were both naked, the Adam and his wife, and were not ashamed.**

---

And we in the 21<sup>st</sup> century, do not need to be ashamed either, when we share what God told us clearly happened in the beginning... when He made the heavens and the earth.
