200 years later this prophecy happened, which means the prophets were faithful to record what the Lord said, whether or not they understood it. Isaiah was instructed of the LORD to address all the major actors, even those who made a covenant with death and lies, and hell... people so evil they would murder their own children, even till the time of the end of the Gentile nations; when Messiah comes in power and great glory to set things right, with a dreadful event the whole world will know He is on the way.

Check His calendar... Moses fully told us about it: 7 specific workdays for the LORD; 4 days, [shadows of things to come](#) are done leaving 3 specific days – the last days at the time of the Harvest yet to be fulfilled.

Fallen, Fallen Is Babylon

1 The burden of the wilderness of the sea.

As whirlwinds in the Negeb / in the south pass through; so it comes from the wilderness, from a terrible land / a very inhospitable place.

2 A grievous vision is declared to me: the traitorous deal traitorously, and the destroyer destroys / the treasonous deal treasonously – worthy of the gallows or firing squad.

Go up, O Elam / north Iran: lay siege, O Media / Arabia; all its sighing I have made to cease.

3 Therefore my loins are filled with anguish: pangs have seized me, like the pangs of a woman in labor: I was bent over at the hearing of it; I was dismayed at the seeing of it.

4 My heart staggers, horror has appalled me: the twilight of my pleasure has turned for me into trembling / Isaiah who is on the Lord's side, what he hears, what he sees is sickening; his hopeful optimism has dimmed; notice he does not rejoice.

5 They prepare the table, they watch in the watchtower, they eat, they drink / were they rejoicing prematurely at the destruction of Elam; when there was

an enemy within? **Arise, O princes, and oil the shield! / were they eating the bread of idleness, as war was coming?**

6 For thus the LORD said to me, Go, set a watchman, let him announce what he sees.

7 If he sees a chariot and horsemen in pairs, riders of asses, and riders of camels; let him listen diligently, very diligently:

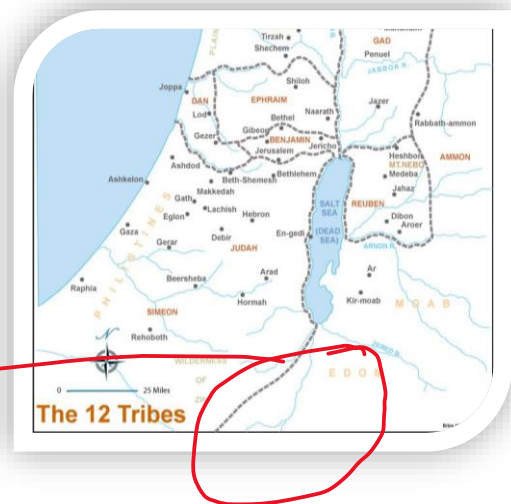

8 And he who cried out like a lion: on the watchtower I stand, O LORD, continually by day, and I am at my post the whole night:

9 And, behold, here come riders, horsemen in pairs! And he answered and said,

Fallen, fallen is Babylon; and all her demon images of gods have smashed on the ground / only with that message rejoice; it did fall, taken by Darius the Mede; foreshadowing when the last global govt Mystery Babylon will also fall one day.

10 O my threshed and winnowed one / O the corn of my threshing floor: what I heard from the LORD of hosts, the God of Israel, I declare to you.

11 The burden of Edom.

One calls to me from Seir Watchman, what of the night? / city of Edomites -- offspring of Esau, Watchman, what's happening? / What's going on? The location is unclear.

12 The watchman says, Morning comes, and also the night. If you will enquire, enquire; return, come again / same old stuff, nothing new; if you have another question, ask it, otherwise: come any time; and did they carelessly return to their eating and drinking? Don't you wonder who are the watchmen in our generation of so much fake news and denial? You have reliable watchmen that you share information with, don't you? There is a terrible day coming.

13 **The burden on Arabia.**

In the thickets in Arabia you will lodge, O caravans of Dedanites / in the brushes and groves by the streams in Arabia would dwell descendants of Dedan the son of Jokshan – the 7th son of Abraham and Keturah are in focus; all these warring factions in the middle east are cousins of each other through Abraham's 9 sons: one with Hagar, one with Sarah, and 7 with Keturah.

14 Bring water for the thirsty, O residents of the land of Tema meet the fugitive with bread / 9th son of Ishmael: NW Arabia,

15 For they fled from the swords, from the bent bow, and from the pressures of war.

16 For thus the LORD said to me, In a year, as a hired man would count it, all the splendor of Kedar / modern Qatar... will fail:

17 and the remainder of the number of archers, the mighty men of the children of Kedar, will be few / from west to east, Ishmael's warring descendants will be greatly reduced in number; when will this happen? At a time appointed by God, perhaps sooner than we can imagine:

for the LORD God of Israel has spoken.

We are grateful to God that the Saudi govt has preserved the Mountain of Moses.
