

ISAIAH 2 vs 1

Isn't it interesting how all these things Isaiah wrote about 2,700 years ago, are in the NEWS today?

¹ The word that Isaiah the son of Amoz saw concerning **Judah** and Jerusalem.

² And it will be **in the last days** / were the **first days** Passover, **Unleavened Bread**, **Firstfruits** and **Pentecost** – **days of the Lord**; fulfilled by something He does? **No longer shadows of things to come**:

but now Isaiah is telling us about the **last days**: **still shadows of things to come**: **Trumpets**, **Afflicting souls**, and **Tents**. All the prophets spoke of when the Gentiles come to an end... and the Messiah of God comes to reign, **Hallelujah!**

And in the last days, the highest place of the LORD's household / the prophets use literal and figurative speech, from where to see the furthest. Those of the Middle East have known for 2,700 years -- longer than all the other nations, what the LORD said about the temple, **as He disowned that place leaving it deserted** which is what Jesus said about that place... He said, **not a stone would remain** It is fascinating, the Al Aqsa mosque had to be built twice due to an earthquake that brought it down the first time. When Messiah comes again, Isaiah tells us, He will be interested in **His people**, **not** in buildings. After all **His Father's house is the only one He cares about, and it is in heaven** -- John 14.

The LORD God no longer needs a little building on earth to accomplish His purposes. Paul wrote **do you not know you are the habitation of God through His Spirit**. I can imagine a little lean-to, constructed with fronds to shelter the Lord from the heat of the day... though the sun might be smarter not to cause Him a sunburn! / in Hebrew: **bayit**, which stirs up the mental picture of a building, but the word first appears in **Genesis 7** when the LORD invites **Noah and his house... to enter the ark.** :

All scripture must bow to Jesus the Christ. From the days of David through the martyrdom of Stephen, to the present people have been concerned about brick and stone buildings worthy of the LORD; but the LORD was pleased to dwell among His people in a temporary tent, and didn't complain, as if He knows something about time verses eternity.

➔ **And in the last days, the highest place of the LORD's household will be established in the top of the mountains** / the highest place and position where His family gathers from every nation – the highest places and positions is when the great rebellion is over; and **Israel** and **Judah** are joined as one, who gather around Messiah rule every nation, on **the 7th Day of the Lord**.

KJV-lite™ VERSES

The Church -- **the love of His life** are with Him, when He comes in administrative power and great glory to rule and reign as: Wonderful Counselor, Mighty God; Father of eternity, and Prince of peace. Remember: this vision is **concerning Judah and Jerusalem, and all who are flowing into it.**

³ Many people will go and say, Come, let us go to the mountain of the LORD to the household of the God of Jacob / in Jerusalem; some say this is the temple mount? Possibly, but it seems too small. Only when He comes will He rearrange some of the familiar landscape; father Jacob = the scoundrel, the once crooked swindler, not a complimentary name. Notice **Israel** is not mentioned here; **Israel** means: **those ruled = isra + by God = El**. God is the One who does **not** change, He does not wink at sin; He calls His people to often change their twisted thinking; and obviously the current folks in Jerusalem, haven't done that -- and it won't happen until after Armageddon is finished;

Come, let us go to the highest place of the Lord's household and He / Messiah will teach us of His ways, and we will walk in His paths: from Zion will go forth the law: from Jerusalem the word of the LORD / His law and His word are simply the same: [1] Love, seek the greater good for God with all your heart, soul and strength; and [2] Love... seek the greater good for our neighbor as you do for yourself -- not complicated.

⁴ And He will judge among the nations, and will correct many people / which is why He comes with a rod of iron, because there will be many people and nations jumping over to His side of the issues; but many contentious hardheads will still over-populate the planet:

and they will hammer their swords into plowshares, and their spears into pruning hooks: nation will not lift up sword against nation, nor will they learn war anymore / lots of fools including CEO's will be left in the dusty streets, without a job during the 3 ½ year tribulation... when the military colleges with the CIA, FBI, NSA and all the others are simply decimated by the Armageddon. **When this vision of the last days concludes:** we see the LORD graciously assures His people that the outcome will end in peace;

however, **concerning Judah and Jerusalem**, prophet Isaiah not only continues to address those living back in 700bc; but also speaks to every generation that will follow until Messiah arises to settle the score with the nations. In other words: Isaiah says, **back to reality**...

⁵ O house of Jacob Come, let us walk in the light of the LORD / O current family of scoundrels, stumbling in darkness; unlike king David who said, **Your word is a lamp to my feet** .

⁶ For You have abandoned... Your people the house of Jacob, because they were filled full of the east, and are like the Philistine soothsayers / working their demonic hocus pocus; they sacrificed their own children no different than their neighbors; held secret societies, occultists, kabbalists, superstitious sociopaths devoid of conscience;

and **they clasp hands with the children of foreigners** / giving them the high-5. And thinking they had economically prospered greatly from endless deals with the neighbors...

7 Their land is filled with silver and gold, there is no end to their treasures / every size and shape: small or XXX-large; every color; every dust collecting thing you can imagine;

their land is filled with horses, there is no end to their chariots / they have the latest weapons of war, so these people were like our 21st century genius jackasses, a generation, overpopulated with megalomaniacs, some who swear “he who controls the weather controls the world” – which is true, **God does**; while for decades **they pollute His atmosphere with sulfuric acid, barium, and aluminum** directly effecting the number of women with dementia; and the number of children with varying forms of autism:

8 Their land is also filled with idols; they worship the work of their own hands – **what their own fingers have made** / Paul warned of a time, when the last generation devoid of conscience, **would be lovers of self rather than lovers of God and His word** -- **2Timothy 3**. So they were like us... now days:

9 And the average descendant of Adam’s race has been humbled, and the great people have been abased: but do not forgive them.

10 Enter the rock, hide in the dust from the wrath of the LORD, and the glory of His majesty / hide in the nearest crevasse, in true humility; when Messiah comes in great glory; that future time fast approaching, effecting all small and great of the earth. **We read about it in the Revelation of the Lord**... given to John, the disciple whom Jesus loved -- **Revelation 6:15-16**.

11 The proud look of Adam’s race will be humbled; and the arrogant people will be abased, and the LORD alone will be exalted in that day the 6th Day of the LORD, when Messiah comes to afflict those who did **not** embrace His first coming in humility. About this awful Day, Paul wrote: **God has not appointed us to wrath, but to salvation through Jesus Christ our Lord** -- **1Thess 5**.

12 For the day of the LORD of hosts / this **6th Day** Moses told us about; The NASB says: **it is a day of reckoning: [1] Against all who are proud and lofty, [2] Against all who are lifted up; that he is abased:**

13 [3] Against all the cedars of Lebanon that are high and lifted up / and NO, the LORD isn’t concerned about His creation and foliage that is very good, He’s talking about neighbors to the north west, **[4] Against all the oaks of Bashan** / neighbors to the north east, **14 [5] Against all the high mountains** / all the unnamed grand world govt’s, **[6] Against all the hills that are lifted up** / all the unnamed junior world govt’s,

¹⁵ **[7] Against every high tower** / all the big shots in town, **[8] Against every fenced wall** / all wishful wannabes even in places like Amboy or Vesta Minnesota. Messiah's clean-up will be through,

¹⁶ **[9] Against all the ships of Tarshish** / the large global trade companies and seaworthy vessels associated with southern Spain, in particular Gibraltar, trading partners of the commonwealth, **[10] Against all the desired cargo** / usually made in foreign countries at slave labor cost. And isn't that what we read about [the merchants in the book of Revelation 18](#)? Those busy working their deals with a faithless whore, who swears she is a queen, but she definitely is **NOT**, the Bride of the Lamb.

Isaiah repeats himself a second time...

¹⁷ **The proud look of Adam's race will be humbled; and the arrogant people will be abased, and the LORD alone will be exalted in that day.**

¹⁸ **And the idols He will utterly destroy** / earlier we read, the work of **their own hands** -- what **their fingers** made; what **they** worship, the worthless crap of rock, wood and plastic will vanish.

¹⁹ **And they will hide in the holes of the rocks, and the caves of the earth, from the wrath of the LORD, and the glory of His majesty, when He arises to shake terribly the earth** / He has always said, it will be an awful time, like **no** other time in the history of Adam's race; which is what [John tells us will happen](#) -- Rev.6.

²⁰ **In that day Adam's race will throw away to rats and bats, their idols of silver, and idols of gold, which they made for themselves to worship** / how terrible it will be when those in Beverly Hills and River Oaks and Midtown Manhattan Plaza District... citizens of the world suddenly realize their platinum credit is of no use, and their 911 cell phone call goes unanswered;

²¹ **To hide in the clefts of the rocks, and the tops of the ragged cliffs, from the wrath of the LORD, and the glory of His majesty, when He arises to terribly shake the earth** / for a 3rd time Isaiah gives fair warning... of the vivid desperation of those living during the horrific tribulation... that prophet Haggai affirms and the beloved apostle John saw in the apocalyptic vision. So, what is Isaiah's last word from the Lord on this subject?

²² **Cease your leaning on Adam's race, whose mere breath is in his nostrils: of what regard is he?** These are the generations of arrogant vacant heads who scoff at the notion: [In God, We Trust](#). Instead, they have made themselves gods... and now they will be tested on just how god-like they are (or aren't).
