In chapter 34, Isaiah gives us the bleakest report on Armageddon that is coming at the end of the Gentile nations, when Messiah comes in power and great glory to set things right... with a cataclysmic event the whole world will know He is on the way.

After the prediction of God's judgments on the world, follows a promise of great mercy to be in store for His church; here, after a dreadful scene of confusion in the previous chapter, we have in this short chapter, a scene bright and pleasant; which looks beyond the flourishing state of Hezekiah's kingdom, and beyond the prophetic justice that must come... to welcome the Christ kingdom – Matthew Henry.
