This chapter spoke to the people of God who Jeremiah addressed 2500 years ago; but prophecy often serves a dual purpose, in this case speaking to God's people at the end of Gentile history, when the last beastlike govt Mystery Babylon is finally destroyed. In 400AD, Augustine of Hippo proudly declared, Babylon is a former Rome, and Rome a later Babylon. Rome is a daughter of Babylon.

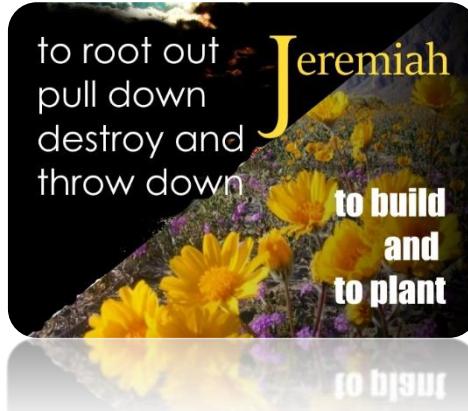

Like whitewash, the roman govt pasted much of Babylon culture, tradition and way of thinking on its citizenry; today, the roman church is the successor of all that pasting.

I'm sure to Jeremiah, all this was difficult to imagine, because it is prophecy from the Lord letting His people know what will ultimately happen to Mystery Babylon many centuries later.

1 The word the Lord spoke against Babylon / was this chapter addressed to certain identifiable, historic people who lived 2500 years ago? Yes; we see it serves a dual purpose; in this chapter, whenever we see this name **Babylon**, we can attach to it the word: **mystery**... the last and worst expression of human govt gone crazy stupid on the earth... before Messiah comes again and destroys it...

and against the land of the Chaldeans / against those who are classified as the Neo-Babylonian Empire; those in the southern coastal regions of Persia – modern day Iran. Chaldeans sought king Hezekiah of Judah for his support against Assyria; around 597BC, when the exile of Judah to Babylon began; plundering Jerusalem was the work of the Chaldean army employed by Nebuchadnezzar;

the Lord spoke against mystery Babylon, and against the land of the Chaldeans, by Jeremiah the prophet.

2 Declare among the nations, and proclaim, and set up a standard; proclaim, and do **not** conceal: say, *mystery Babylon is taken, Baal is confounded, Merodach is dismayed; her idols are confounded, her images are dismayed* / all the things the Lord God abhorred; those things so many adored... although Moses warned them... not to make graven images after the custom of the neighbors, but to fully eradicate them from the face of the earth; but they didn't do that, so Messiah Himself is coming to do the job... which means it will be done with style -- to the glory of His Father.

3 For from the north a nation comes against her, which will make the **earth** desolate, and no one will dwell there: both man and beast, they will run away / history tells us that nation was Babylon; it came against Judah and Jerusalem; but now Rome is mystery Babylon doing the same thing.

4 In those days, at that time, says the Lord / we are not considering old history, but future history, the 3 Days still on the Lord's calendar; work days of the Lord; equal to Passover and Pentecost,

the children of Israel / the historic house led by Ephraim, including all the children of the living God... **and the children of Judah** / the historic house of the Jewish people... **will come together**.

The greatest danger in the 21st century to the devil's global agenda is that **Messianic Jewish brothers and sisters** are getting together with **Ex-Muslim brothers and sisters**; who are getting together with **brothers and sisters who are followers of the Lord Jesus** in the church He has been building for 2000 years, **the children of Israel and the children of Judah** will come together weeping with tears of joy as they go: and they will seek the Lord their God.

5 They will ask the way to Zion / to Jerusalem, the City of David... with their faces turned toward it, saying,

2 Declarar entre las naciones, y proclamar, y establecer una norma; proclama, y **no** ocultes: di, misterio, Babilonia es tomada, Baal está confundido, Merodach está consternado; sus ídolos están confundidos, sus imágenes están **consternadas** / todas las cosas que el Señor Dios aborreció; esas cosas que tantos adoraban... aunque Moisés les advirtió... no hacer imágenes grabadas según la costumbre de los vecinos, sino erradicarlas completamente de la faz de la tierra; pero no hicieron eso, así que el mismo Mesías vendrá a hacer el trabajo ... lo que significa que se hará con estilo, para la gloria de su Padre.

3 Porque del norte una nación viene contra ella, lo que hará que la **tierra** sea desolada, y nadie morará allí: tanto el hombre como la bestia, huirán / la historia nos dice que la nación era Babilonia; vino contra Judá y Jerusalén; pero ahora Roma es un misterio, Babilonia hace lo mismo.

4 En esos días, en ese momento, dice el Señor / no estamos considerando la historia antigua, sino la historia futura, los 3 días todavía en el calendario del Señor; días de trabajo del Señor; igual a Pascua y Pentecostés,

los hijos de Israel / la casa histórica dirigida por Efraín, incluidos todos los hijos del Dios viviente... y los hijos de **Judá** / la casa histórica del pueblo judío... **se unirán**.

El mayor peligro en el siglo 20º para la agenda global del diablo es que los hermanos y hermanas judíos **mesiánicos** se están reuniendo con los **hermanos y hermanas ex musulmanes**; quienes se reúnen con **hermanos y hermanas** que son seguidores del Señor **Jesús** en la iglesia que él ha estado construyendo durante 2000 años, **los hijos de Israel y los hijos de Judá** se **unirán** llorando de alegría a medida que avanzan: y lo harán buscando al Señor su Dios.

5 Preguntarán el camino a Sión / a Jerusalén, la ciudad de David... con la cara vuelta hacia él, diciendo:

Come, let us join ourselves to the Lord in an everlasting covenant that will **not** be forgotten.

6 My people have become lost sheep: their *faithless* pastors / their salaried hirelings... led them astray, turning them aside on the mountains: from mountain to hill they have wandered, and forgot their pasture / they forgot their resting place.

7 All who found them devoured them: and their enemies said, We are **not** guilty / though their foes destroyed them; still in their twisted minds; their enemy thought they were doing God a service,

for they sinned against the Lord -- the habitation of justice even the Lord, the hope of their fathers / they sinned against He alone who is the dwelling place of all that is right.

8 Flee from the midst of *mystery* Babylon go forth from the land of the Chaldeans and be as the he-goats before the flock / evacuate her; leave her quickly; don't delay: in the Revelation, God said: [Come out of her My people](#) – [Revelation 18](#); leave the off-scouring, sword-wielding worst of the earth sent to wake up those trespassers who transgress God's commandments; those intruders and squatters who have moved in on God's turf; be hardheaded warriors, protectors of the flock of God.

9 For, lo, I am stirring up and bringing against *mystery* Babylon a great assembly of nations from the north country / a great gathering from protesting voices; including many voices in sleepy churchianity that need to stop snoozing.. and wake up:

and they will array themselves against her; from there she will be taken / wherever she is, she will be removed: their **missiles** will be as of a mighty expert none will return in vain / they will track and fire with precision; no missiles will be duds; none will be ineffective, not one will fail.

Ven, unámonos al Señor en un pacto eterno que **no** será olvidado.

6 Mi gente se ha convertido en ovejas perdidas: sus pastores infieles / sus asalariados ... los llevaron por mal camino, apartándolos de las montañas: de montaña en colina han vagado, y se olvidaron de sus pastos / olvidaron su lugar de descanso.

7 Todos los que los encontraron los devoraron; y sus enemigos dijeron: **No** somos culpables, / aunque sus enemigos los destruyeron; todavía en sus mentes retorcidas; ellos pensaron que haciendo un servicio a Dios,

porque pecaron contra el Señor: la morada de la justicia, incluso el Señor, la esperanza de sus padres / pecaron contra Él solo, que es la morada de todo lo correcto.

8 Huye de en medio del misterio, Babilonia sale de la tierra de los caldeos y sé cómo los machos cabríos ante el rebaño / evacúala; déjala rápidamente; no te demores: en el Apocalipsis, Dios dijo: [Sal de ella, Mi pueblo](#) - [Apocalipsis 18](#); deje que lo peor de la tierra que escurra y empuñe la espada enviado para despertar a los intrusos que transgreden los mandamientos de Dios; esos intrusos y okupas que se han mudado al territorio de Dios; sean guerreros obstinados, protectores del rebaño de Dios.

9 Porque, he aquí, estoy agitando y trayendo contra el misterio Babilonia una gran asamblea de naciones del país del norte / una gran reunión de voces protestantes; incluyendo muchas voces en la iglesia soñolienta que necesitan dejar de dormir.. y despertarse:

y se enfrentarán a ella; desde allí será llevada / donde sea que esté, será retirada: sus **misiles** serán como de un poderoso experto, ninguno volverá en vano / seguirán y dispararán con precisión; no misiles serán trapos; ninguno será ineficaz, ninguno fallará.

10 Chaldea will be destroyed / it will be plundered: all who destroy her will be satisfied, declares the Lord.

Jeremiah speaks directly to the hirelings of mystery Babylon, the Neo-Chaldeans:

11 Because you were glad, because you rejoiced / it seems these global roman thugs prematurely started to party; apparently, they forgot, God will have the last laugh – Psalm 2, O destroyers of My heritage, because you have grown fat as a heifer in the pasture, and bellow as bulls / if they are just a bunch of overstuffed cows and bulls, then what comes from them is just a bunch of Cow and Bull crap, right? I bet these fat cows drone on... morning, noon and night.

12 your mother will be sore confounded; she who gave you birth will be disgraced / she will be humiliated; and the prior word means: to dig, she will not be able to dig a hole deep enough through wherever all their overstuffed cows gather to do their global bidding; to escape the embarrassment of giving birth to such wretched Cow and Bull crappers:

behold, the butt of the nations will be a wilderness, a parched earth, and a desert / God has a scorched earth plan... for the roman ass of the earth – where is this shithole located? Well, starting at the United Nations and the EU, and wherever the last roman agenda is played out; that is where the Lord God taunts these obese fools and losers – those who do not acknowledge Him or give Him thanks.

13 Because of the wrath of the Lord, she will not be inhabited, but will be wholly desolate: everyone who passes by mystery Babylon will be appalled, and hiss at all her plagues.

14 Set yourselves in array against mystery Babylon all around: all who bend the bow, shoot at her, spare no missiles / she had destroyed so many; it's time for her to be destroyed;

10 Caldea será destruida / será saqueada: todos los que la destruyan estarán satisfechos, declara el Señor.

Jeremías habla directamente a los asalariados del misterio de Babilonia, los neocaldeos:

11 Porque te alegraste, porque te regocijaste / parece que estos matones romanos globales comenzaron a festejar prematuramente; se olvidaron, Dios tendrá la última risa: Salmo 2, oh destructores de mi herencia, porque has engordado como novilla en el pasto, y bravas como toros / si son solo un montón de vacas y toros mullidos, entonces lo que viene de ellos es solo un montón de basura de Vaca y Toro, ¿verdad? Apuesto a que estas gordas vacas zumban el ... mañana, mediodía y noche.

12 tu madre estará muy confundida; la que te dio a luz será deshonrada / será humillada; y la palabra anterior significa: para cavar, ella no podrá cavar un hoyo lo suficientemente profundo por donde todas sus vacas sobrecargadas se reúnan para hacer su orden global; para escapar de la vergüenza de dar a luz a esas miserables basuras de vaca y toro:

he aquí, el trasero de las naciones será un desierto, una tierra seca y un desierto / Dios tiene un plan de tierra quemada... para el asno romano de la tierra, ¿dónde está ubicada esta mierda? Bueno, comenzando en las Naciones Unidas y la UE, y donde sea que se desarrolle la última agenda romana; Ahí es donde el Señor Dios se burla de estos necios y perdedores obesos, aquellos que no lo reconocen ni le dan gracias.

13 Debido a la ira del Señor, ella no estará habitada, sino que estará totalmente desolada: todo el que pase por el misterio de Babilonia se aterrará y silbará ante todas sus plagas.

14 Ponte en orden contra el misterio de Babilonia por todas partes: todos los que doblan el arco, le disparan, no escatiman misiles / ella había destruido a muchos; es hora de que sea destruida;

like the experts you are, make her your target; don't fire at her sparingly, use all the missiles you need to do the job:

for she has sinned against the Lord.

15 Surround her and shout against her: she has given her hand / she has shown her cards; she has given all she had: **her bulwarks are fallen, her walls are thrown down for this is the vengeance of the Lord:** / she's a reeling wreck; all her supports have fallen, her protection collapsed:

take vengeance on her; as she has done, do to her / the Lord invites all to retaliate on her double what she had done to them – **Revelation 18.** This is not a private retaliation; it is for those armed with God's word. Retaliate against this ancient faithless whore; plunder her double who plundered you. Do not just shoot at her; shout against her with skill and strength; with a good eye and a good hand – Matthew Henry:

16 Cut off mystery Babylon the sower and the one who handles the sickle in the time of harvest / sever the Herodian sower who caused all this earthly crap. The One who wields the cutting tool – the word of God is living, and sharper than any two-edged sword; dividing to the soul and spirit; able to judge the thoughts and intentions of the heart – **Hebrews 4;** the One handling the sickle when the Ingathering; and the last 3 Days of the Lord are fulfilled:

because of the sword of the oppressor everyone will return to his own people; everyone will flee to his own land / because of the devastation brought by the Chaldeans... when the time comes; the time of harvest, as important as Passover and Pentecost; when Messiah returns to rule with a rod of iron.

Jeremiah was speaking to the leaders in Jerusalem and the southern 2 tribes of the House of Judah; and we know in recent history, this is what they have done. We're living in exciting times.

como los expertos que eres, haz de ella tu objetivo; no le dispare con moderación, usa todos los misiles que necesitas para hacer el trabajo:

porque ella pecó contra el Señor.

15 Rodéala y grita contra ella: ella ha dado su mano / ella ha mostrado sus cartas; ella ha dado todo lo que tenía: **sus baluartes se cayeron, sus paredes se derrumbaron porque esto es la venganza del Señor:** / ella es un desastre tambaleante; todos sus apoyos han caído, su protección se derrumbó:

vengarse de ella; como ella lo ha hecho, hazle a ella / el Señor invita a todos a tomar represalias sobre su doble lo que ella les hizo a ellos - **Apocalipsis 18.** Esto no es una represalia privada; es para aquellos armados con la palabra de Dios. Tomar represalias contra esta antigua ramera infiel; saquea a su doble que te saqueó. No solo le dispare; gritar contra ella con habilidad y fuerza; con buen ojo y mano - Matthew Henry:

16 Corta el misterio Babilonia el sembrador y el que maneja la hoz en el momento de la cosecha / corta al sembrador herodiano que causó toda esta basura terrenal. Aquel que maneja la herramienta de corte: la palabra de Dios está viva y más afilada que cualquier espada de dos filos; dividiendo al alma y al espíritu; capaz de juzgar los pensamientos e intenciones del corazón - **Hebreos 4;** el que maneja la hoz cuando la cosecha; y se cumplen los últimos 3 días del Señor:

a causa de la espada del opresor, todos volverán a su propio pueblo; todos huirán a su propia tierra / debido a la devastación causada por los caldeos ... cuando llegue el momento; el tiempo de la cosecha, tan importante como la Pascua y el Pentecostés; cuando el Mesías vuelve a gobernar con una vara de hierro.

Jeremías estaba hablando a los líderes en Jerusalén y las 2 tribus del sur de la Casa de Judá; y sabemos en la historia reciente, esto es lo que han hecho. Estamos viviendo en tiempos emocionantes.
