Dr. Luke continues to write about Jesus speaking to a large crowd who gathered around Him, and said...

³³ **No one** / no man... woman... or child,

after lighting a candle, puts it in a cellar / a basement,

nor under a bushel container,

but on a lampstand,

that those who come in may see the light.

³⁴ **The light of the body is your eye:**

so, when your eye is single,

your whole body also is full of light / it all starts with the clear eye... and keeping focused; Jesus is talking about: our intellectual, wisdom; physical, stature; spiritual favor with God; and social favor with mankind aspects and parts; all the members of our body; is fully bright, is wholly and completely bright and benefitting;

but when your eye is evil / again starting with the eye and what we focus on; the word is: **poneros**. If you are laboring, if you are exerting all energy and effort... to be a pain to others; if you are enviously looking around... and not doing what you ought to do; not doing what you know is right,

then your whole body also is completely dark / Jesus says, from our careless or envious looking around... like a spreading virus, then our whole body -- physical, intellectual, spiritual and social will sooner or later become totally dark.

The apostle Paul reminds us, some things in our spirit, our mind, and our life we need to wrestle with and throw down; other things we need to put on: neither can be done without the Lord's help. So, ask Him!

³⁵ **So, take heed** / so consider yourself warned,

that the light which is in you is not darkness.

³⁶ **So if your whole body is full of light** / and if what you are looking at is fully bright,

having no dark part, then the whole person / then that individual,

will be full of light,

such as when the bright shining of a candle gives you light.

In other words: With all that is thrown in our way, keep Him – the Light of the world in focus. Get to know what HE said; learn from Him. By faith, we can do that... first thing each day; last thing each day; and many times in between. And we won't be stumbling in darkness. He will lead us all the way home!
