In the preface to this Book of Moses we read: The titles of the five books of Moses, which we use in our Bibles, are all borrowed from the Greek translation of the Seventy, the most ancient version of the Old Testament what we know of. But the title of this book we only turn into English; in all the rest we retain the Greek word, for which difference I know no reason, but that the Latin translators have done the same. Otherwise this book might as well have been called: **Arithmoi**. Where we get our word: **arithmetic**. The Greek title = the numbering; as it shows the promise of God to Abraham that his children would be as the stars of heaven. In this book are two numberings: one at Mount Sinai in Arabia – chapter 1; and the other on the plains of Moab 39 years later. -- Matthew Henry.

The next generation numbered,

¹ And it happened after the plague, that the LORD spoke to Moses and to Eleazar the son of Aaron the priest, saying,

² Take the sum of all the assembly of the children of Israel, from 20 years old and up, throughout the house of their father, all that are able to go to war in Israel.

³ And Moses and Eleazar the priest spoke with them in the plains of Moab by Jordan near Jericho, saying,
