In the preface to this Book of Moses we read: The titles of the five books of Moses, which we use in our Bibles, are all borrowed from the Greek translation of the Seventy, the most ancient version of the Old Testament what we know of. But the title of this book we only turn into English; in all the rest we retain the Greek word, for which difference I know no reason, but that the Latin translators have done the same. Otherwise this book might as well have been called: **Arithmoi**. Where we get our word: **arithmetic**. The Greek title = the numbering; as it shows the promise of God to Abraham that his children would be as the stars of heaven. In this book are two numberings: one at Mount Sinai in Arabia – chapter 1; and the other on the plains of Moab 39 years later. -- Matthew Henry.

The inheritance of women,

¹ And the heads of the families of the children of Gilead, the son of Machir, the son of Manasseh, of the families of the sons of Joseph, came near, and spoke before Moses, and before the leaders, the heads of the children of Israel:

² And they said, The LORD commanded my lord to give the land by lot to the children of Israel as an inheritance: and my lord was commanded by the LORD to give the inheritance of Zelophehad our brother to his daughters.

³ But if they marry one of the sons of the other tribes of the children of Israel, their inheritance is removed from the inheritance of our fathers, and will be added to the inheritance of the tribe to which they belong: thus it will be taken from our allotted inheritance.

⁴ And when the jubilee of the children of Israel comes, then their inheritance will be added to the inheritance of the tribe to which they belong: so their inheritance be removed from the inheritance of the tribe of our fathers.

⁵ Then Moses commanded the children of Israel according to the word of the LORD, saying, The tribe of the sons of Joseph have said correctly.

⁶ This is what the LORD commands concerning the daughters of Zelophehad, saying, Let them marry to whom they wish; only they must marry among the family of the tribe of their father.

⁷ Thus no inheritance of the children of Israel will be transferred from tribe to tribe: for the children of Israel each will hold the inheritance of the tribe of his fathers.

⁸ And every daughter who possesses an inheritance in of any tribe of the children of Israel, will be wife to one of the family of the tribe of her father,

so that the children of Israel may possess the inheritance of his fathers.

⁹ Thus no inheritance will be transferred from one tribe to another tribe; but each of the tribes of the children of Israel will hold to his own inheritance.

¹⁰ Even as the LORD commanded Moses, so the daughters of Zelophehad did:

¹¹ Mahlah, Tirzah, Hoglah, Milcah and Noah, the daughters of Zelophehad, married the sons of their uncles.

¹² They married from the families of the sons of **Manasseh the son of Joseph**, and their inheritance remained with the tribe of the family of their father.

¹³ These are the commandments and ordinances, which the LORD commanded the children of Israel through Moses in the plains of Moab by the Jordan opposite Jericho.
