John an **eye-witness to Jesus** next wrote Chapter 17 and 18 which appear to be a parenthesis where we read... government and religion come together as one -- like a one world in a bad marriage... not made in heaven. Jesus said **I will build My church; and His church is the only church that matters**, but if there was a whoring church this chapter lets us know it is in focus; she is a faithless whore, with darling admirers -- represented as: Ephesus, Pergamos, Thyatira, Sardis and Laodicea who will go through great tribulation if they don't reconsider: chapters 2 – 3; she is **not** the **Bride of Christ**, - wrong chapter; we read about **the Love of His Life** in Revelation 19.

¹ And there came one of the seven angels who had the seven bowls, and talked with me / John is speaking; of the 12 original disciples, he lived the longest.

saying to me,

Look here!

I will show you the judgment of the great whore / this great faithless whore, the word is: **porne**. This loveless woman, Jesus used this word 4 times when He said, Whores and publicans would enter the kingdom of God before the self-righteous religious people of His day – but not this great whore.

Here, this angel sent straight from Heaven Central... says to John...

I will show you the judgment of the great whore that sits upon many waters: / he has come to tell John about the obese institution of faithlessness... claiming some connection to Jesus Christ... **Not the love of Jesus** for which He gave his life. That **Bride** is written about in chapter 19! This angel is sent to tell John about the mother of all the faithless fakers and religious imposters, starting with this **STD** – the **spiritually transmitted** and **diseased** woman; notice she doesn't sit on all the waters, but her large derriere sits on many...

² With whom the kings of the earth... ...now, we don't have that many kings anymore; though most of the politicians think they are royal. The angel is talking about presidents, prime ministers, dictators and other politicians who may have royal parentage.

with whom the chief rulers of the earth have committed f__ / sorry about that! I had to check if it was one of those F-words we could say.

with whom the chief rulers of the earth fornicate,

and the inhabitants of the earth were made drunk /

So, the politicians of the day are bleeping with this great whore while the inhabitants of the earth are inebriated drinking their Kool-Aid, obviously they are not thinking or seeing clearly. They might need a designated driver to get them home safe. What do you think?

the inhabitants of the earth were made drunk with the wine of her fornication.

³ So he carried me away in the spirit into the wasted places / eremos... the same word Jesus used when He left the temple and said, Behold, your house -- not His Father's house, is left desolate. So there in the wilderness, John is carried to an isolated place. It's as if God wanted John's attention on this floozy of a faithless woman, and not confused with anyone else,

and I saw a woman sit upon a **scarlet** colored beast / this great STD whore and Daniel told us all about this beast; this 4th bestial government gone wild... monstrous, brutal; smashing and destroying until the whole world is broken.

a **scarlet** colored beast... made red with the blood of those it has murdered through the ages. And this whore is sitting in the saddle of this govt; she's riding it: and not like she's going along for the ride. More like, she's driving it.

full of names of blasphemy / what is blasphemy? Well, let us have the bible define it. Jesus was twice accused of blasphemy, when friends brought a paralytic man lying on a pallet to Jesus letting him down through an opening in the roof; Jesus said, My son, your sins are forgiven; the scribes objected saying, Why does this man speak like this? He blasphemes. Only God can forgive sins -- Mark 2;

a second time when scribes said, He casts out demons by the ruler of demons; and falsely attributed His power to exorcize demons as from the devil. Jesus said, Nonsense... all sins will be forgiven the children of men; what blasphemy they utter... but whoever blasphemes the Holy Spirit never has forgiveness -- Mark 3. Seeing the work of God through the Spirit sent to guide us into all truth... and wrongly attributing it to be the work of the devil is never good, and always deadly to do.

a scarlet colored beast... full of names of blasphemy / some faithless beast which claims to be empowered to forgive sins would be evidence of blasphemy; the roman leaders claim they are in the position of God on earth; they claim to have power to change the precepts of God; and many other claims. When pope John Paul visited Los Angeles, he said, "Don't go to God, but come to me for forgiveness"—L.A.Times.

So definitely, this whore is not the Bride of Christ. Again, the Bride of Christ, the love of His life is in chapter 19; but back to this spiritually transmitting diseased whore, riding this

scarlet colored beast / this government gone wild, **full of names of blasphemy**,

having seven heads and ten horns / we learn clearly about those seven heads and ten horns, later in this chapter. Daniel told us about the 4 kingdoms that would consume much of history... starting with Nebuchadnezzar's Babylon; then Medo-Persians; followed by Grecians; and conquered by Romans; the last bestial govt in hot pursuit of world dominance, till God destroys it with the Christ kingdom that comes one day!

4 And the woman / this loveless whore, was arrayed in **purple and scarlet color**

/ **purple** is the color of royalty; and **scarlet** was the favored color of Babylon. In the book of Daniel, whoever could tell the meaning of those visions would be honorably dressed in **scarlet**.

Dr. Ironsides says, There is no mistake about this woman's identity; if there was, than who will replace all this pointless stuff? Pagan Rome was the linear successor of Babylon absorbing all the Babylonian mysteries including: the mother and child cult; even the Babylonian priest's apparel honors their gods: from their fabulous fish-hats to their equally fashionable **red** socks and **red** shoes, with all their customs and traditions -- making it an entirely fashionable: Project Babylon Runway. Ooh! But something is fishy about it all.

And isn't it interesting? None of those traditions did the disciples keep; none of those clothes did the disciples wear; and yet, all these traditions end in Rome.

Babylon taught the nations, starting with Nimrod and his lovely wife... to substitute idolatry and images and icons for the Word of God and spiritual worship; some of the first attempts trying to marry government and religion can be read about in **Daniel, chapter 3, the famous chapter of Shadrach, Meshach and Abednego**, who refused to bow to the marriage of government and religion in this world.

the woman was arrayed in purple and scarlet color, and decked with gold and precious stones / like diamonds and rubies.

**and pearls,
having a golden cup in her hand.**

/ Wow! John sees this whore with a golden chalice; I bet a fine vintage wine was in that very impressive cup, don't you think?

having a golden cup in her hand, full of abominations and filthiness / Hmm?! I mean, even the cheapest wine would sound better! But apparently, she likes drinking from the sewer.

of her fornication / John is teaching us about this STD whore, fornicating with the politicians of the earth. He says, that is what she is swigging!

⁵ **And upon her forehead** / for public display; upon this faithless whore's forehead; what John wrote suggests a prominent public display of something she is proud to show off. John is a good student: notice he says something weird is on her head, something fishy, exposes this religious whore.

a name written, MYSTERY, BABYLON THE GREAT / lots of secret sounding, hocus pocus

some translate the phrase:

And upon her forehead a mysterious name written, / which is not old Babylon eaten up by the desert of Iraq; history affirms Napoleon had blueprints drawn for the reconstruction of Babylon in present-day Iraq. Why? Not needed. That desert city is not this great whore riding the last great world govt beast.

MYSTERY, BABYLON THE GREAT / this faithless whore, is not Babylon the great pile of dust in the middle-east. And this mystery, once hidden is being revealed. This whore gallops around on formidable power that reaches back to Nebuchadnezzar's Babylon; followed by the Medo-Persian empire; then to the Grecian empire; and finally the Roman empire.

And upon her forehead a name is written / for public display,

MYSTERY, BABYLON THE GREAT,

THE MOTHER OF HARLOTS / the Mother of Whores. Notice: she is the mother, and she has children -- plural. She is the mother of religious tarts and street-walkin' spiritual floozies -- perhaps like 5 of the 7 churches -- Smyrna and Philadelphia excluded, they did not need a metanoia moment, to change their mind... 5 churches we learn about in chapters 2 and 3 of the Revelation: like Ephesus who lost her first love, all the way to Laodicea who thought they needed nothing, while they left the Savior standing outside, knocking on their door -- empty churchianity: others following in her faithless footsteps, trying to snatch a piece of the action.

THE MOTHER OF HARLOTS / the whore of all whores, this religious prostitute -- STD infected

AND ABOMINATIONS OF THE EARTH. / responsible for all the horrors and atrocities on earth.

‘I saw the woman drunk with the blood of the saints / this religious whore is drunk. Notice, present tense; the angel is talking about a continuing state of this woman today... not past history. Saints are living people who are God's adopted family born of His Spirit -- who love Him and love one another.

and with the blood of the martyrs of Jesus / still today, the roman religious institution says those who protested during the Reformation, and who were condemned in the inquisitions... are not the ones referenced here; because they are considered heretics. So Wycliffe's Lollards, and Jan Hus and the Husites, Martin Luther and the Lutherans who followed, John Calvin and his followers, not to forget Ulrich Zwingli, and John Knox, and so many more in every nation too numerous to mention, who gave their lives. Rome says, They were and they still are heretics. Well, they call us: separated brethren. Oh how I thank **FatherGod in heaven** for my separation!

still drunk with the blood of the saints,

and with the blood of the martyrs of Jesus. / those in the old testament who were faithful, as well as those in the new testament who were faithful.

Drunk with the blood shed by the thousands in the valleys of the Piedmont... the Waldensians, Rome says, they are not saints, they are heretics. Or the French Huguenots massacred on St. Bartholomew's Day, they are not martyrs... just more heretics. Or the natives of Mexico and Indians of Central and South America... massacred wherever Rome has marched for the last 2000 years.

The slaughter of the millions in Europe in the world wars... and in Eastern Europe even today – you know, the eastern Orthodox communities; the Viet Nam war; the genocide in Rwanda and Nigeria... all these disruptions throughout the world, engineered in Rome with those at the European Union - a roman project.

Textbooks and mass media are constantly rewriting history and Rome is becoming the victim.

Hey, have you counted the number of roman justices sitting on the Supreme Court of the United States? Or all those roman governors and mayors, now days? Or roman representatives and senators in leadership in both parties, in both halls of congress of our country? And in other countries, too?

And how about all the fake news? **news readers reading their daily scripts given to them**... and owners included; no longer protestant voices, but roman voices... and images.

There is a reason why people left Europe and came to this country, to escape persecution and death. There is a logical reason why the early American community disallowed people with allegiance to Rome, to hold public office.

Is there any wonder why borders are not closed? Is there any wonder why those who brought the dark ages of information continue? None of this blood thirsty power grabbing sounds like Christ Jesus, does it? Is there any wonder why millions flee what is happening in their countries... dominated by roman policy? Paul said: I laid the foundation, and another builds on it. But let each one be careful how he builds: **For no one can lay a foundation other than the one which is laid, which is Jesus Christ** -- 1 Cor. 3.

I saw the woman drunk with the blood of the saints,

and with the blood of the martyrs of Jesus,

and when I saw her, I was amazed with great amazement / remember: this is the beloved John writing what he saw, he was astonished,

7The angel said to me, Why do you marvel?

I tell you the mystery of the woman

and of the beast that carries her, / I will unravel the puzzle of **this whoring church**, this great whore; **and** the last and final expression of world govt gone wild; and you will not be surprised ,

which has the seven heads and ten horns.

The Forbidden Book. Narrated by our friend Craig Lampe.
