For 3 ½ years... the same amount of time JESUS the CHRIST taught His people when HE first came; and as the MESSIAH prepares to come again, His faithful Church – the Love of His Life has been removed; but lost ISRAEL and little JUDAH in the last days are waking up. And now HE begins to wrap up the 3 ½ year lesson for the faithless in His creation. This chapter is perhaps the most astounding to consider since we read: In the beginning God created the heaven and the earth.

The Seven Angels with Seven Plagues

**1 Then I saw another sign in heaven, great and marvelous,**

**seven angels with the seven last plagues; for with them the wrath of God is finished.**

**2 I also saw something like a sea of glass mixed with fire: and those who had won the victory over the beast, its image, its mark, and the number of its name, standing on the sea of glass, with the harps of God.**

**3 They sang the song of Moses the servant of God, and the song of the Lamb,**

**saying,**

**“Great and marvelous are Your works, O Lord God the Almighty! Right and true are Your ways, O King of the nations.**

**4 O Lord, who will not fear and glorify Your name?**

**For You alone are holy: all the nations will come and worship before You;**

**Because Your righteous acts have been revealed.”**

Wow! What a glorious Song!

**5** After this I looked, and behold, the **naos** of the tent of testimony in heaven was opened / John is brought to the door of the heart of heaven; the most holy place in heaven:

**6** And out of the **naos** came the seven angels with seven plagues, clothed in linen clean and bright, **with golden sashes wrapped around their chests.**

**7** **One of the four beings gave to the seven angels**

seven golden bowls full of the wrath of God, who lives forever and ever.

**8** And the **naos** was filled with smoke from the glory of God, and from His power; and no one was able to enter the **naos**,

**until the seven plagues of the seven angels were finished.**

---

This was the moment all creation stood silent, as the Creator alone had to do... what never entered His mind... the day He kindly... and amazingly created all things... and He declared them: very good.
