Zechariah wrote around 500BC, when roughly 50,000 -- about 1/10<sup>th</sup> the population of the **House of Judah** in captivity... returned to Jerusalem, to rebuild the desolate region in advance of Messiah's first coming. Most of Judah had grown comfortable in their new home of Babylon... where they lived for the next several centuries, having rejected the Torah of Moses; definitely, not the smartest thing to do.

To this chapter, Zechariah has seen 5 visions;

Vision 1: horses and riders

Vision 2: 4 horns and 4 carpenters

Vision 3: a surveyor of Jerusalem

Vision 4: Joshua high priest; the Branch of Righteousness over God's household

Vision 5: rebuilding the Kingdom of grace; the 2 Olive Branches

And next... Vision 6: a flying scroll; a woman in a basket, carried away by 2 women,

**<sup>1</sup> Then I turned, and raised my eyes, and saw, and behold a flying scroll** / what did Zechariah see 2500 years ago? He was a prophet to Judah and Jerusalem, so definitely, he was concerned with every word that proceeds from the mouth of the LORD; some have speculated he saw our modern technology; how would you describe it?

**<sup>2</sup> And he said to me, What do you see?**

**I answered, I see a flying scroll;**

**its length is twenty cubits, and its width ten cubits** / 30 feet by 15 feet... which is the dimension of this type of early communications satellite.

**<sup>3</sup> Then he said to me, This is the curse that goes forth over the face of the whole earth.**

**For everyone who steals will be cleaned out according to the writing on one side; and everyone who swears falsely will be cleaned out according to the writing on the other side.**

**<sup>4</sup> I will send it forth, says the LORD of hosts, and it will enter the house of the thief, and the house of him who swears falsely by My Name** / it makes you wonder what Zechariah saw; able to communicate the Word of God... that can enter every house on the face of the whole earth, doesn't it?

**And it** / God's word... **will remain in his house and consume it: both its timber and its stones** / it will have its effect even on the core components holding the household together.

**<sup>5</sup> Then the angel who talked with me came forth, and said to me,**

**Now raise your eyes and see what this is that goes forth.**

**<sup>6</sup> I said, What is it?** / probably blurting out; was Zechariah bewildered?

**And he said, This is an ephah** / a standard bushel basket... **that goes forth.**

**And he said, This is their appearance** / their characteristic appearance; literally, this is their eye; it is their aberrant global image – seeking to replace God's word; what was being measured out is a filthy image (from the 1800s) it fills the peoples' eye and is all directed toward evil... **throughout all the earth.**

**<sup>7</sup> And, behold, the lead cover was lifted:**

**and there was a woman sitting in the ephah basket** / and who is this woman? she is the faithless religious whoring system of governance... at the end of the time of the Gentiles.

**<sup>8</sup> And he said, This is Wickedness.**

**And he pushed her back into the ephah basket; and threw down the lead weight on its opening** / a large weight was to cover and ensure the woman was locked up permanently; Zechariah was going to make sure she didn't escape.

**<sup>9</sup> Then I raised my eyes and saw,**

**and behold, two women came forward** / were they associated with the faithless woman? John told us she was a Mother of whores! God makes the wicked themselves the agents to carry away the woman; and it takes more than one of them to do the removal job of this STD whore – this spiritually transmitting diseased woman.

We know Zechariah is sent to Judah and Jerusalem. We know Rome thinks it has the rights to Jerusalem; and we know for centuries, wickedness has had her own papal Jews doing her bidding, smashing and destroying until the whole world is broken. Is she Roman? Is she Jewish? or are these two the last ruling faithless women promoting wickedness, at the end of the Gentiles a composite of both who are in alliance?

or competition? To the father of lies, it does not matter. The roman religion is little different than orthodox Jewish religion – in that they both have elevated their manmade traditions over the word of God. Perhaps, at the end of the time of the Gentiles – both its civil and religious garbage is being removed.

**The wind was in their wings.**

**They had wings like the wings of a stork** / carnivorous birds, emblematic of those who come looking to steal babies; large, strong and very awkward wings,

**and they raised the ephah basket between earth and heaven** / being made a public example to all; they raised up the trashy basket of wickedness... unworthy of either earth or heaven... and abandoned by both; this wicked woman had not pleased God; and was contrary to all men. John writes: the last 10 governments ridden by the faithless whore, would for a while give their allegiance to her, but in the end would hate the whore and expose her... and then destroy her with her own wicked methods – **Revelation 17**.

**<sup>10</sup> Then I said to the angel who talked with me,**

**Where are they taking the ephah basket?**

**<sup>11</sup> He said to me, To the land of Shinar / to the land of Mystery Babylon**... in other words: to Home, sweet home... to the ancient home of Nimrod, rebels and deviants in rebellion to the living God.

**to build a house for it** / for this religious wickedness; for this hocus pocus religion; seeking to display it on a proper pedestal.

Did the Lutheran or Episcopal or Pentecostal sisters – or any of the non-protesting feel gooders, who swear **we have no king but caesar**, did they assist this religious garbage basket in building it a home? Did Rome, did Judah or Benjamin assist in constructing even a platform for displaying their faithless Mother, Mystery Babylon? I don't know, but God does... and He'll deal with them.

**And when it is established, they will set the basket on its own base.**
